## **Country style lunch in Camargue (private tour)**

This is a wonderful, half - day experiencing the best of the Camargue, the unspoiled très-nature region known as the Wild West of Provence. You will be awaited from 10.30 at a legendary ranch where you'll be welcomed by your hosts in traditional outfit ridding their white horses. This family owned ranch have been raising Camargue horses and black bulls from generation to generation on their 500 acres property right in the heart of the Camargue Natural Park. We will spend the next hour with a few more "guardians" wandering around the property where you will see plenty of white horses and black bulls living in their natural habitat in complete freedom. Don't you worry you will be completely safe at all time !

As you will start filling pretty hungry after such an emotionally filled morning, it will be time to stop for lunch. Guess what, you will be really privileged by enjoying a gourmet lunch in one of the wildest part of Camargue. A glass of sparkling wine awaits for you at our lunch location. While you will be enjoying this unique scenery at your ease drinking this locally made wine we will set up your gourmet lunch. The Michelin-starred restaurant La Chassagnette will prepare your lunch of the day. This one -of-a-kind picnic lunch will include five courses, starter to dessert, made from organic and seasonal products. The picnic will be served with wine of course!

An alternative and bucolic way to enjoy our local gastronomy. The day ends after lunch, around 1:30 pm
