

## ARLES IN PROVENCE

### ARLES, NÎMES

### AND THE PONT DU GARD

± 135 kms

- **9.00 AM** Meet your guide at the Arles tourism office for a tour of the Arles historic city center.
- **10.45 AM** Leave for the Pont du Gard. This remarkable monument was built during the 1st century AD so that the Nîmes aqueduct, nearly 50 km long, could cross the Gardon River. When they created this bridge, 50 m high with three levels of arches of which the longest measures 275 m, the Roman engineers and architects built a technical masterpiece which is also a work of art.
- **1.15 PM** Lunch in a restaurant beside the aqueduct.
- **2.30 PM** Leave for Nîmes. The city has many superb reminders of its glorious past. A Roman amphitheater built at the end of the 1st century AD, the temple known as the "Maison Carrée", built during the reign of the Emperor Augustus (1st century AD), and the "Tour Magne" (Magna Tower), located at the top of Mont Cavalier at the highest spot in the city. Take a panoramic discovery tour of these heritage monuments.
